Final programme

- 9.30-10.00 [Registration](#)
- 10.00-10.10 Welcome (*Dr. Tommy Visscher, NASO President*)
- 10.10-10.30 Amphetamine-induced dopamine release and dopamine D2 receptor availability in obesity
Elsmarieke van de Giessen - AMC/University of Amsterdam, Amsterdam
- 10.30-10.50 Macrophages are modulated by soluble factors secreted by adipocytes
Inge Klein-Wieringa - LUMC, Leiden
- 10.50-11.10 Resistance to insulin-mediated suppression of lipolysis in skeletal muscle of type 2 diabetic men
Johan Jocken - MUMC, Maastricht
- 11.10-11.30 The autonomic nervous system regulates postprandial VLDL-triglyceride secretion
Eveline Bruinstroop - AMC/University of Amsterdam, Amsterdam
- 11.30-11.50 Obesity is associated with increased numbers of circulating activated lymphocytes and pro-inflammatory monocytes
Lianne van Beek - LUMC, Leiden
- 11.50-12.10 β -adrenergic stimulation and brown adipose tissue activity in lean human adults
Maarten Vosselman - MUMC, Maastricht
- 12.10-13.10 [Lunch break](#)

- 13.10-14.10 Obesity and exercise, exercise with obesity**
Prof. dr. Maria Hopman – UMCN, Nijmegen
- 14.10-14.30 Serotonin transporter availability within the diencephalon of healthy lean male subjects does not correlate with insulin sensitivity
Karin Koopman - AMC/University of Amsterdam, Amsterdam
- 14.30-14.50 Dietary polyphenols and fat oxidation in humans
Jasper Most - MUMC, Maastricht
- 14.50-15.10 Increased fat mass per se does not alter gene expression rhythms in rat white adipose tissue
Rianne van der Spek - AMC/University of Amsterdam, Amsterdam
- 15.10-15.30 *Coffee/tea break*
- 15.30-16.30 Research directions in prevention and management of childhood obesity**
Dr. Nathalie Farpour-Lambert – University Hospitals of Geneva, Genève
- 16.30-16.50 Topologically heterogeneous β -cell adaptation in response to high-fat diet in mice
Rianne Ellenbroek – LUMC, Leiden
- 16.50-17.10 Retinol Binding Protein 4 (RBP4) expression in adipose tissue and liver in relation to metabolic fluxes in obese women
Barbara de Weijer - AMC/University of Amsterdam, Amsterdam
- 17.15-18.00 *Algemene Leden Vergadering*
- 18.00- *Dinner* at restaurant Jinso (<http://www.jinso.nl/>)
